OPENING ADDRESS

By J. Wheeler-Hill, National Secretary

My Fellow Christian Americans!

It is my privilege to welcome you to this impressive patriotic mass demanstration sponsored by the German American Bund.

GEORGE WASHINGTON, whose birthday we are celebrating today—when bidding farewell to the people, **said:**

"BE UNITED! BE AMERICANS! Let there be no sectionalism, you are all dependent one on another, **and should be in one Union.** Beware of attacks upon the Constitution. Keep the departments of government separate, promote education, cherish the public credit, avoid debt. Observe justice and good faith toward **all** nations; and be independent politically of all.

IN ONE WORD, BE A NATION, BE AMERICANS, AND BE TRUE TO YOURSELVES.

Never were such admonitions **more** timely than **TODAY!** Reviewing the state of the Nation **today,** in the light of this historic observation: WHAT DO WE FIND? A nation of TRUE Americans? UNITED? . . . . in a noble common cause? PATRIOTIC? . . . free from clase hatred and sectionalism and political discrimination? The CONSTITUTION . . . has it been free from attack? ARE we avoiding public debt? Exercising good faith toward ALL nations? Are we politically independent?

I am asking YOU, my Fellow Countrymen?

Speaking for myself, **much to my regret,** I must confess that we are **utterly** and **completely** disregarding the Admonition of George Washington, **TODAY.**

There is more than ample evidence in support of this contention! Let us reason from FACTS that cannot be challenged: Who will deny the spread of radicalism with its inspired class hatred, racial sectionalism, political abuses, its moral erosion and subsequent disintegration of our national unity in thought, decision and action ??? Who will deny the attacks that have been made upon the Constitution? Who is **NOT** familiar with the billion-dollar yardstick that is required to measure the stupendous total of our national public debt. The billions of dollars spent in excess of our national income: **have they done away with the pitiful relief situation after six years? — Have they put back to work the 12 million unemployed** that are walking the streets of our—**the richest nation in the world?** Have there **not** been passionate attacks on other nations? **Have we forgotten** the President's Chicago speech, his utterances before the Senate's Military Affairs Committee,—the irresponsible attacks on German leaders and Germany by dictatorial Harold „Helium" ICKES and other responsible Cabinet officers? **And is there not a** very definite trend toward entangling alliances?

The people, far and wide, are beginning to ask for explanations, They feel that somebody must have fallen

down on the job! That somebody must be responsible for all this!

My Fellow Countrymen!

No wonder thinking people are beginning to ask embarrassing questions and to cry for a new leadership.

WHAT would George Washington think . . . and **DO**, were he alive today?

Would he not plead with the thinking, the loyal and law-abiding people, the true Christian Americans? In noble words of his own:

"Let us raise a standard to which the wise and the honest can repair"?

Would he not re-advocate strict adherence to the noble principles voiced in his farseeing political testament?

My Fellow Countrymen! WE German Americans are inequivocably committed to the defense of the Flag, Constitution and Sovereignty of our United States. **WE STAND BEFORE YOU**—loyal and law-abiding, to be here dedicated together with you, to the great task of national and social reconstruction, **and resolved as you are resolved** to restore America **to the true Americans and to the ideals and principles** given expression in the great farewell address of George Washington.

FREE AMERICA!

Reasons for the Bund's Existence

By Eastern Department Leader Rudolf Markmann

Mein Bundesführer, American Compatriots, Bund-Members and Friends:

We are living at a time when every crack-pot and bankrupt lawyer believes that he must save our Country from an imagined, terrible menace of Nazism. We mean those people who cover themselves at night with the Stars and Stripes, and who before breakfast sing the Star Spangled Banner, besides spending many hours of each day proclaiming their super-patriotism and democracism.

By Nazis they mean the Members and Leaders of the German American Bund and preach the "splendid" idea of having us all deported. Quite a large fleet of ocean liners would be needed to take all our naturalized members back to wherever they came from, and we wonder what is to be done with all those members born and reared right here in the U. S. A.!

We have never claimed to be and are not "Nazis", knowing very well that "Nazism", German National Socialism, is reserved for Germany and has no place in our Country, the United States of America! The German Chancellor has proclaimed to the world many times that National Socialism is not for export!

You will have heard very much about the German American Bund in the press, over the radio and in the movies. A picture has been presented to you which tends to make you believe that this our Bund is of a sinister character, with the sole purpose of overthrowing the government of the U. S. A., placing in its stead a government of dictatorial power which would ruthlessly exterminate all opposition. Let me assure you right now that all such accusations are too silly to require even an attempted denial of any of them. But **in the course of tonight's speeches we will have the opportunity to tell of a particular race of people which has more and proven qualities in the game of overthrowing established governments than our German American element or any other.** Furthermore, nobody can very well accuse us of contributing to the social and economic blunders under which our country is suffering today, because, as all of you know, there are hardly any German American politicians to speak of in office.

The cause for the founding of our Bund was the anti-German atrocity and boycott propaganda, and the undermining of the interests of Americans of German ancestry. Our reaction to this un-American manipulation was the creation of the "Friends of the New Germany," which was the forerunner of the present day "German American Bund". You all know how this campaign of hate has developed since 1933, when a foreign government in Central Europe, whose affairs are none of our business, was changed. In those days not one **determined** voice of protest against the Jewish hate campaign could be heard from any of those existing numerous German American Societies; not even from that Society which had assumed the right to represent the German American element politically. Today the German American Bund has been selected by the overwhelming majority of all upright Americans of German descent to complete the task of attaining to a proper representation in the fields of American political, economic and social life, and the leadership is in the firm hands of our National Leader Fritz Kuhn.

LABOR, ECONOMICS, FINANCE

By Midwestern Department Leader Georg Froboese

Mein Bundesführer, American Compatriots, Bund-Members and Friends:

Closest to our hearts and minds is the consideration which we pay to the welfare of the community and Nation as a whole. We believe that the rights of the individual must stand second to the well-being of the community and that the exigencies and requirements of such a community must be subordinated to such of the Nation! This all-embracing thought is our philosophy of a patriotic American Nationalism! As such, it creates our energetic opposition to all international Marxist and therefore Jewish preaching of Class-Warfare. The terrible experience of Germany, Italy, Hungary, Austria and Spain, who finally succeeded in saving themselves, and that of Russia, where Communism was victorious, should be sufficient warning to our fellow-compatriots to steer clear of all those pitfalls which were prepared by the oriental cunning of the Jew Karl Marx-Mordecai!

We are well aware of the fact that the problems of America's social and economic condition have not been solved satisfactorily in respect to either the expectations of the "employed element" or of the "employers". All assertions to the contrary notwithstanding, we contend that both factions shall have an absolutely equal right to representation in all disputes. We do propose, though, to have these discussions governed by mutual arbitration under the compass of an absolutely nationalistic and pro-American point of view and not according to the Marxist-Communist Theory, which demands the unification of the Proletariat of the World as the prerequisite to the solution of this Country's social-economic affairs. To demand the latter is a negation of all those natural differences which do exist between our own White American working men and those of China for instance. Labor has been exploited not only by Jewish-International moneyed interests, but more so it has been debased and misused by Jewish agitators, who are supposed to represent labor, but in reality never in their lives have completed one honest day's hard manual work themselves. These confounded Jewish agitators know perfectly well how to draw a nice fat salary, paid for by the hard earned money of our workers, but beyond that they know just as much about the trade of a machinist, pattern-maker, foundry worker or mason as a Hottentot from the Kraals of Africa. They definitely failed to improve the social position of labor and they did not succeed, with all the support from the great Father in Washington, in eliminating our unemployment situation. Today so-called organized labor unions are neither organized nor united. Under the radical leadership of Jewish agents, the labor movement of this our Country has been split into warring factions. The underlying cause is not so much a difference of opinion about Trade-Unionism and collective industrial organization, but a clash of ideas between true labor-minded work-

ers and international racketeers. The latter have been preaching the unification of the international proletariat, but so far have not even been able to unite labor within our own Country. They have brought corruption and disruption to our shores, and try to divert the workers' minds from their real problems, by telling them that the Bund is the actual danger to organized labor. The Gentile American worker is being sold down the river by international Jewish interests! **Therefore the Bund maintains that our labor unions, first of all, must be controlled by conscientious, Gentile American leaders, who are absolutely free from a Communist-infested and Moscow-directed domination!**

The German American Bund has not forgotten that these so-called labor leaders helped to further confuse the situation, spreading a damnable Gospel of Hate against their own asserted fellow foreign workers, by furnishing all possible support to a private Jewish Boycott-War directed against European Countries. We have not forgotten that **the Boycott,** instigated for the sake of some of the four million Jews living in America, **has been definitely detrimental to the welfare of a hundred and fifteen million White and Colored American Citizens.** We have realized that this Boycott has caused our Country the loss of exports to the value of many billions of dollars. To whatever degree such Boycott is successful, to that very same degree it is bound to be felt in the pocketbooks of our own workers in America. It amounts only to simple arithmetic, to figure out that if we buy less from Central European countries, they will have no choice, regardless of inclination, but to buy less from us, retarding our economic recovery and hindering reemployment. But that is not all. In the case of Germany and Italy, for example, we now find that Adolf Hitler and Benito Mussolini, instead of waiting for the Jewish Boycott to take effect, looked for, and, to Mr. Hull's great discomfiture, found other markets for their countries' products, thereby reducing the purchase of American goods in such countries too! So by the good grace of our labor agitators and of Mr. Hull and his Jewish consorts, we all are being victimized by an incredible Boycott policy, which is in effect nothing but an economic **Bankruptcy policy!** The method of our Bund to combat this Jewish inspired boycott is the effectively working German American Business League. A league of Gentile American business houses which successfully diverts the purchasing power of our white American people from the BOYCOTT-JEW to the Gentile merchant.

The Works Progress Administration, the W.P.A., according to our judgment amounts only to a WORKERS PROLETARIZATION ARRANGEMENT, and in effect created a political voting machine which has all the characteristics of a demoralizing force enslaving all employees of this and similar alphabetical, Governmental agencies.

We also call it sin and madness to plow under cotton, burn hogs and corn, throw tons of oranges into California rivers and pour crude oil over them to make them inedible, all to maintain artificial price-levels while millions of our people are in need!

Finally we contend that our economic and social ills will never be overcome by any of those utopian "Ham and Egg" plans which have been advocated these last years, because all of them are based on solely materialistic principles or on the fallacies of internationalism. **Our recommendation is the recreation of the cooperative spirit in the ranks of all constructively working Americans, the adoption of a sensible Foreign Trade Policy and the imme-**

diate abolition of all international domination of our financial system. George Washington's admonition to remain clear of all foreign entanglements also applies to finance!

Still heeding this very good advice, we are vigorously opposed to the Tripartite Agreement between France, England and America, regulating the relative value of the Franc, the Pound Sterling and Dollar. The Stabilization Fund of two billion dollars, created to serve this purpose, has not benefitted our Country, but instead brought upon us the curtailment of the Sovereignty of our Nation. It has caused continued disturbance of our economic system and lends itself beautifully to the sinister purpose of making the world safe for Jewish domination of those monetary systems which still adhere to gold backing. The German American Bund demands abrogation of all agreements binding us to international superstate banking and credit institutions, and instead the creation of a National American Financial System, with the value of our medium of exchange based on the productive ability of our people and on the natural resources of the Nation!

In the Fall of 1938, as reported by R. Stache in the NS-Kurier, the Jew Barney Baruch, often called the unofficial President of the United States, visited France, and a few weeks later the Jews Henry Morgenthau, Jr., Walter Lippman, Madam Perkins, Leon Blum and Georges Mandel-Rothschild met in the villa of our Ambassador Bullitt in Chantilly, a suburb of Paris. We are supposed to be the best informed people on the face of the earth! Have you, my friends, ever read anything about this conference in our American "Free" Press? The real meaning of these so-called pleasure jaunts and the purpose of the Morgenthau Stabilization Fund came crashingly to light through the medium of a Douglass Bomber which evidently became destabilized. This Bomber went through a most remarkable transformation. It went up in the air as an all-American Plane, and came down with a French General in its cockpit. When that bomber came down to earth, our Congressmen and Senators went up in the air. They suddenly began to see what we already had been discussing at our National Convention last September. Having seen some light concerning the true meaning of **international** financial manipulations, **perhaps they will now become interested in the privately controlled, Jewish Federal Reserve System.**

We know that the Jew is most concerned with maintaining his stranglehold on the financial systems of the world. Permit me to refer to an enlightening letter from the **international Rothschilds,** cited by Father Coughlin in one of his excellent speeches: **"The great body of the people, mentally incapable of comprehending the tremendour advantages that Capital derives from the system, will bear its burdens without complaint, and perhaps without even suspecting that the system is inimical to their interests.** The Jew does not become as excited about Pogroms in eastern European countries, as he does about legislation enacted in Germany or Italy, which harms no hair on any Jew's head, but deprives him of his terrible "Power of the Purse" in these countries! Germany, without appreciable gold reserves, has succeeded in solving all her economic and social problems, **without borrowing a single cent from international banking institutions since the day Adolf Hitler was elected!** Ever since this was done, that country has been free of economic upheavals! We want to see the day when it will no longer be necessary to give the unproductive Jew a cut on every financial transaction between White men! We know that this can

be achieved by observing the experiences of these Central European countries, which have succeeded in recovering **true financial sovereignty over their means of exchange!**

The German American Bund firmly maintains that it is by no means un-American to assume that the Congress of our United States, within the scope of its Constitutional Authority, can achieve the same results in the same way! It is not our slightest intention to realize these aims through the medium of violence and bullets. They can be attained by means of the BALLOT of a national-minded, patriotic Electorate! **Therefore I call upon all of you to join with us in the battle for a socially-just, economically really stabilized, financially independent, Jew-free America!**

direction with Gentile cameramen, but strangely, it only seems possible to produce such pictures when the background is British, glorifying Great Britain's power on land and sea. To mention only a few: The Bengal Lancer, Mutiny on the Bounty, Drums and Gunga Din!

And as regards the press, the same Jewish control obtains. Everything inimical to those Nations which have freed themselves of alien domination is "News", to be played up and twisted to fan the flames of hate in the hearts of Americans, whereas **the Menace of Anti-National, God-Hating Jewish-Bolshevism is deliberately minimized!** The press is free only for the Money-interests behind the Publishing Houses, the News Services and the great Advertisers. **By the attitude of this press, you cannot help but recognize who constitutes the money-interests in question!**

RACE, YOUTH

By National Public Relations Director G. Wilhelm Kunze

Mein Bundesführer, OD-Men who help us SECURE our right to peaceable assembly and free speech, Bund-Members, our Boys and Girls, Fellow White Americans and other Non-Parasitic Guests!

To understand how the small, ever homeless minority, which alone has anything to gain by tearing nations asunder and by pitting them against themselves and each other, we must consider the race question.

The key to the rehabilitation of our United States as a physically, mentally and spiritually healthy member of the family of Nations lies above all in a proper application of the immutable racal laws of the Almighty, which cannot be repealed by ANY debating society of legislators!

He created the various races of mankind, as He did the innumerable kinds and types of animal and plant life, for reasons of His own. It behooves us to simply recognize these eternal truths and to act in accord with them. To make believe that the profound, ineradicable racial differences between the Aryan, in other words White Gentile Races on the one hand and the Asiatic, African and other non-Aryan Races on the other, do not exist, and to attempt to thwart the will of Nature by indiscriminately mixing the Races of the World to produce some artificial "standard Human Race", is Madness and Blasphemy!

Nature will not permit any trifling with its laws for any appreciable length of time ,as is amply proves by the history of ALL great Cultures and Civilizations of the past, the Rise and Fall of every one of which can be traced to its abiding by or disregarding the Racial Laws. **Every great Empire and Culture in history was the product of some particular Race, continuing to grow and flourish so long as it remained true to type and beginning to decay the moment affluence and a consequent suicidal Liberalism brought about a lowering of racial barriers,** permitting an increasing degree of alien influence upon the Culture in question and UNAVOIDABLY causing the disintegration of that Culture; There never has been and there can be no "international" or "interracial" Culture!

THESE UNITED STATES ALSO are the product of a particular Racial Group, the ARYAN! The Men and Women who conquered and pioneered this Continent and built upon it the great Nation which we are striving to maintain, were Children of Aryan Europeans! Whether Germanic, Latin, Celtic or Slavic, they possess the necessary degree of Blood-Relationship, and consequently the necessary degree of common political, cultural, economic and religious history and tradition, they possess a basically common Code of Ethics and Morals, which enables them to live under and subscribe to a common System of Laws!

Where you can reasonably assume

that your Fellow-Citizen has approximately the same Ideas as you concerning Right and Wrong, and where you can afford to believe that his Word is worth something and that he may be considered honest until proven otherwise, there you can develop and maintain that Spirit of mutual trust and understanding, that Will to Comradeship and Cooperation under which alone a Nation may prosper. That spirit obtained in this Country only so long as the Racial Affinity of its Citizenry was sufficiently pronounced, so long as we limited our hospitality and tolerance to such as would honor that tolerance, **so long as we permitted only the Sons of White Europeans to gain influence in our Commonwealth!**

We are NOT preaching Race-Hatred, but Race-Recognition and the Will to the Preservation of our Own! The Jew, for instance, is welcome to every one of his characteristics so far as we are concerned, if he could only be moved to remain among his own unassimilable kind with them and removed from Power as a Parasite upon the Body Politic of our and other Aryan Peoples!

We can respect and live in Peace with the Negro, the Japanese, the Chinese, the Arab, provided we protect our prerogatives here as these others do in their Countries, because all **fairly unmixed** Races on Earth, where their racial pride has not been spoiled, have, in common with us, the God-given Will to a National Culture, the Desire for a Country of their own, a Determination to work out their Destiny according to their own characteristics without alien domination, and a contempt for the Parasite!

The only true Internationalist, the only ever-homeless Parasite, racially so mixed and consequently torn within himself as to be at home to a degree everywhere and truly at home nowhere, is the Jew! Since the time of Ezra and the development of his Talmudic Law, which put an end to his intermarrying with all and sundry upon that ancient Bridge between Asia, Africa and Europe which he inhabited, this Jew has, to be sure, become the most strictly united racial entity on the face of the earth, **but all the conflicting racial characteristics which he absorbed with alien blood in the distant past still actuate him and explain his behavior!**

Whether it pleases us to realize it or not, his code IS one entirely alien to the White Man's and he will NOT honor our Code! Nor can we fight him with his own weapons, because we, again, are not constituted like him! We have been taught, for thousands of years, to honor the Golden Rule, to treat all beings with a human face as Humans, whereas he, for thousands of years, has been taught to follow the Rule of Gold and to consider only the fellow-Jew as being truly human and entitled to honorable treatment!

Is it any wonder then, that we are bound to lose every game we undertake to play with him?! We must either deny our own Nature to be able compete with him, which cannot be done successfully ,or we must knuckle under to him, or **we must end this degenerating competition! Let us realize that a very few Editors of great Newspapers, a few masters of the school systems of the Nation, a few censors of the screen, stage and radio, and particularly a few masters of Fnance, can exercise a far greater inuuence over the mind of this Nation and its People than millions of workers on farms, in factories etc. can offset!** This is the realization which has enabled infinitesimal Jewish Minorities, throughout History, to attain to astounding power in the Countries which have tolerated them! If we would be entitled to continue to exist as a White Man's Sovereign Nation, then we **MUST develop**

the Race-Legislation of the United States to the point where those who may rule us, judge us, educate us or in any way direct our minds and souls MAY ONLY BE WHITE MEN!

Lewislation, we are decidedly **NOT**

In calling upon our Legislators to adequately develop our Country's Race-Legislation, we are decidedly NOT **preaching un-Americanism or anything basically new!** American law-makers generations ago, promulgated laws forbidding intermarriage between White and Black, Yellow, Brown or Red Inhabitants in twenty-eight of these United States! We have an Asiatic Exclusion Act, "Jim Crow" Laws, and a complicated System of Immigration Quotas, differentiating even between the various White Peoples! It has then always been very much American, wherever a Race-Problem became acute, to instinctively attempt to create Legislation designed to protect the **Aryan Character of our Nation!** We only call upon our Legislators to awake to the fact that **the Jew is as Alien, in Body, Mind and Soul, as ANY other Non-Aryan, and that he is a thousand times more dangerous to us than all others by reason of his parasitic nature!**

A suicidal Tolerance of parasitical Aliens, making something entirely different out of the Nation, destroying its ethics, morals, patriotism and religious conceptions, is NOT American!

Great Floods of Tears for a few hundred thousand job-taking so-called "Poor Jewish Refugees", who incidentally in general have more of this world's goods than you or I will ever possess, and **an absolute, criminal disregard for the national Futures of Tens of Millions of American Children** to be left to the tender mercy of these Refugees, **is NOT American!**

The Spirit which opened the West and built our Country was **the Spirit of the Militant White Man, who had no room for tolerance, within the lands which he called his, for ANY Non-Aryan who aspired to power and influence! That Spirit and that Spirit alone, will save this Nation and is AMERICAN!**

We would not deny the manifold differences between the Americans of English, Irish, German, Italian, Polish, French, Russian and other Aryan Stock. They represent larger blocks of fairly unmixed groups within our Country than you may realize. **These Groups can mutually respect their differences without harm to the Nation and the only one to gain anything at all by sowing dissension and hatred between them is again the Alien, the Jew!**

Each one of us can best serve his country and the Creater by BEING HIMSELF, by developing his capabilities in accord with his inherited characteristics and by refusing to deny them!

But apart from our differences, **we all, as White Men, have enough in common to build a politically United Front, of which the German Element and its German American Bund want to be only a part!**

As the Fighting Symbol and Sign of Recognition of the Men subscribing to these Ideals, we have adopted the swastika and the salute of the outstretched right arm and hand, just as similar movements in Great Britain, Holland, the Scandinavian Countries, Canada, the United States, Italy, Belgium, France, Spanish Spain, among the White Russians, Ukrainians and others have done, all of them using this Salute, and most of them this Symbol. **The various forms of Government and the religious institutions being defended by these movements are of many different kinds,** which fact gives the lie to the constantly reiterated charges in

the Jewish-controlled press that these signs are purely German, politically purely national-socialistic or religiously pagan! This symbol and this salute represent the sign of recognition and the greeting of Aryans, White Gentiles, each of whom is a Nationalist and undividedly loyal to his own particular country, and in our case that means the United States of America, but who are all united in the common battle against a common enemy: Atheistic, Asiatic, Jewish-Marxism in any and every form! **There is no symbol better suited to unite the hundred million White Americans, none which will more definitely divide friend from foe, as the reaction of any red Jew upon coming face to face with it will prove to anyone!**

Insofar as our Youth is concerned, we resent the frequently heard implication that we are building a political Youth Movement. We leave that to our opponents. Realizing as we do, however, that in altogether too many cases the public schools and other institutions open to children are teaching them all the subversion which has been condemned here this evening, that they are on all sides being fed lies and rottenness to make them ashamed of their ancestry and of every White Man's Virtue, we are undertaking to teach them those truths which will make them realize that they have every reason to be distinctly proud of their ancestry, of the Nation from which their ancestors came and of their language and customs! **We teach them that Patriotism is NOT Bunk, that the taking of "Oxford Oaths" to refuse to serve the Nation in time of War and the Refusal to salute the Flag represent truly alien, un-American ideas; we teach them that ethics, morals and religion are NOT something for old fools and that confusing Liberty with License can only make them soft, lazy, good-for-nothing creatures, of no value to themselves, their Nation or their God!** For the rest, we help to give them the recreations and joys to which every child is entitled, leaving Party Politics for the day when they become voting Citizens of the U. S. A.

White Men, learn what responsibility to yourself and your People's Future mean! Down the coward within you! Recapture your Heritage! Join us!

ADDRESS

By National Leader Fritz Kuhn

Ladies and Gentlemen, Fellow-Americans, American Patriots:

I am sure I do not come before you tonight as a complete stranger.

You will have heard of me through the Jewish-controlled press as a creature with horns, a cloven hoof and a long tail.

Well, old Beelzebub is a great magician. He can show up in many disguises, and if on this occasion you miss seeing the horns and tail, the reporters present will know how to explain their absence. They will say that I am putting some hocus-pocus over on you, and that I am not what I appear to be—or that what I say to you is propaganda prepared for me by Dr. Goebbels at the instigation of Chancellor Hitler.

For, of course, no German American citizen can express an opinion that does not conform to the standardized order prescribed for us by the Sanhedrin, Rabbi Wise, the Untermyers or Dicksteins.

However you can believe me when I say I have not the honor to be in the confidence of the Fuehrer, and I am sure from what I read in the papers that he must be too busy planning the seizure of the Ukraine, the liquidation of the Monroe Doctrine and the invasion of New Jersey to devote his time to me.

In mentioning these distinguished gentlemen—Rabbi Wise and the others who represent the race that Mr. Untermyer calls "the aristocrats of the world"—let me say that I have the highest respect for them. For they have shown great ability in making white appear black and are proving themselves master magicians in slowly but surely converting the American commonwealth into a closed Jewish corporation. The stock of this corporation is securely locked in their own safe deposit boxes.

So they think!

They will surely succeed in their far-reaching ambition, unless you Aryans, Christians, wake up, and not only speak out in thunder tones to demand that our government shall be returned to the American people who founded it, but also will put your shoulder to the wheel and act understandingly.

We—the German American Bund—organized as American citizens, with American ideals, and determined to protect ourselves, our homes, our wives and children against the slimy conspirators who would change this glorious republic into the inferno of a bolshevist Paradise—we, I say, will not fail you when called upon to give every lawful support in our power in the fight to break the grip of the palsied hand of Jewish Communism on our schools, our universities, our very homes.

I have sometimes heard the question: "Why don't you go back to Germany if you don't like the way we run things here?"

And I ask who is "We?" Is it the Communists, the Jews, the hundred percenters, the Socialists, the Democrats, the Republicans, the Methodists or Baptists or the inquisitors for the Administration? Are not the American Citizens of German extraction included in the "We's" that have a right to run things here?

I have never said I don't like it here, for I do, and I intend to stay here. No one has a greater veneration than I have for the Fathers of the Republic and the good structure they founded. And with that feeling we gather here tonight to honor the memory of the immortal Washington.

All my interests are here, my home and my family. If my citizenship means what the Constitution says it means, I have rights here as well as duties. If I say I don't like the way this or that party temporarily in power administers the government which taxes me and can send me to fight in a European war, I only exercise my citizenship right like millions of other Americans who happen to be of English, Irish, Italian or other extractions!

If the government under the constitution can draft me to die for it, it cannot deny me the right to criticise freely and act and protest as long as I do not engage in treasonable activities.

And that brings me to the subject of the German American Bund.

If you listen to Dickstein or some publicity hound in the pay of a Jewish camarilla, you will have absolutely the most false impression of our organization.

This organization is actuated by the wish to undo what the war has done in depriving the German American element of all political influence.

There were hundreds and hundreds of German American Societies, scattered all over the country, their members spending their leisure in bowling alleys, at card tables or drinking beer. When told to exercise their citizenship duties, they said: leave politics to the Irish, the Italians, the English or to the Jews.

That this attitude must have unpleasant consequences in its effect on the German American element, is being realized by those Americans of German descent who see in its failure to take an active part in the political development of our country the ultimate liquidation of everything that has been the gift of the German element to its adopted country.

And that is exactly what is taking place. The second largest element in the United States—the German American—is today persecuted in every field of endeavor.

Why?

Because the common enemy of all of us who stand up for the Americanism which the founders of the government implanted in the nation, is realizing that if ever we can get together in a united political front, this element will be able to move mountains.

And that day will come, no matter who stands in the way!

Many of you assembled here to pay tribute to the memory of George Washington can testify to the reign of terror through which you passed during the World War as citizens of the country.

Why?

Because you bore German names, spoke a German dialect or still treasured memories of your homeland.

The time certainly was at hand for some one to take the lead in protesting against conditions amounting practically to terrorism, spiritual oppression and denial of justice.

The German American Bund gratefully took up the task of uniting the German element in a bond of mutual interest and protection, and it feels itself the true representative of the silent majority of its co-racials in the cultural, economic and political field.

From the day this organization was formed and attracted public attention, it had to take on the Jews in a fight to a decision. An unprecedented campaign of hate and defamation set in under Jewish leaders who inaugurated a boycott against everything German via the so-called Free Press, the radio and the cinema. We have a theoretical constitutional right to the use of these public facilities to defend our good name and refute accusations, but alas, my friends: the press ,the radio and the cinema are in the hands of Jews, and, like Father Coughlin, General van Horn Moseley, Boake Carter, Robert Edmondson, James True, Rev. Gerald Winrod and other outspoken patriots, we are hindered in our right to refute silly charges that would not stand up in court under cross-examination for ten minutes.

There is, however, a sort of compensation in this. The louder our Jewish friends bellow and bleat about the Bund ,the more people become interested in wanting to find out for what we are fighting.

We do not say that all Jews are Communists, but we do say that Jewry is the driving force of Communism, as has been admitted by Jewish authorities themselves!

Whenever a Jew appears in history, he is worked up by his fellows into a "Personality", who "overshadows" the white man who really accomplishes the things for which the Jew takes credit.

It is well-known, that during the American Revolution Jews did a rushing business with both sides of the conflict. If the British offered more money for their goods, they denied to Washington the supplies so much needed by his soldiers. If Washington was unable to pay cash, he received no supplies.

Benedict Arnold's most intimate friend, and his adjutant, a Jew named David Salisbury Frank, is celebrated by Jewish Historians as one of the most distinguished assistants to General Washington. He possessed Arnold's confidence if anybody did, yet when Arnold's treason was discovered, he pretended complete ignorance of the traitor's plans. Nobody believed him and he was dropped from the army in disgrace, only to pop up later in a diplomatic capacity, thanks to Jewish influence.

Let us take another case of Jewish patriotism and examine the claim of Haym Salomon, whom Jewish writers have pictured as the most unselfish and noble contender for American independence. He arrived in Philadelphia without a penny in his pocket. In two years, according to his Jewish biographers, he had two million dollars and became the good angel of nearly all the officers of Washington's army as well as of the Colonial government. To hear the Jews tell it, Haym Salomon was the real hero of the American Revolution, next to Washington. He was "the Jew Behind the Revolution." He "financed the war and was never repaid for his outlays."

Unfortunately for Haym Salomon, in 1931 the history of this Jewish hero was exposed by Dr. Max J. Kohler, a distinguished member of the present-day Jewish community, who in a pamphlet published in April 1931, declared that investigation has shown that he never loaned a dollar to the colonial government. Dr. Kohler writes:

"Haym Salomon never made a loan to the American Republic and never stated

that he did, though that is the foundation of his fame today."

This did not stop the Jews from erecting a monument to Haym Salomon. Dr. Kohler's pamphlet, like all the anti-Jewish evidence, was buried under an avalanche of attacks by Jewish propagandists.

Their role in the struggle for the preservation of the Union is clearly shown by the contempt which General Grant felt for the Jews when, in defiance of the powerful influence of the financial Jews in the North, he issued a general order on December 17, 1862, forbidding Jews to enter the Union lines. It forbade Jews to be found within 60 miles of the front.

As it turned out, he had disturbed a nest of hornets and underrated the Jewish power. It raised a fearful storm. As a result he was compelled to publicly rescind his order and then express deep regret at having made a "mistake"!

It is interesting to sketch the career of a typical Jew, when, after the Civil War, the victorious North installed the carpetbag regime in the defeated Southern States. This Jew, Frank Moses, began in a small way to force himself into prominence. The Southern people now had nothing to say in the regulation of their own affairs. The slaves had been freed and given the vote. They didn't know what to do with it, but **the Jew, Moses,** soon made them wise. He was one of the most active of the horde of adventurers, loafers and scum of unscrupulous politicians which invaded the South. A good speaker, who knew how to arouse the negroes, he preached a new outlook on life and freedom—freedom from labor and what to the colored people appeared freedom from moral and social restraint.

"Would you like to sit at the table with your former masters?" Moses asked the Negroes. "Would you like to go to the theater, dress like and sit next to the white ladies? **And would you like to have a white woman for a sweetheart?"**

The result of these speeches was shocking. Conditions became so bad that white women did not dare to show themselves alone on the street. The details of this reign of terror are not fit to be told in public. It is enough to say that they were so terrible that the Southern people took the only steps left to them to protect themselves.

These steps led to the organization of the Ku Klux Klan, which paid back terror for terror.

Through it all, Moses prospered. He had behind him the deluded Negroes, and when the first election took place, he was made Speaker of the Assembly of South Carolina. In the next election he was chosen Governor of South Carolina.

Claude G. Bowers in his book, "The Tragic Era", describes Moses as a moral pervert, a gambler and a rogue, who took every opportunity to exploit the people.

In the years that followed, the Jews kept gaining in influence and power, and as the years of the World War approached their influence was great enough to put one of their race—"Barney" Baruch—in a position where he testified he was the most powerful man in the country. Never in the world's history had the Jews attained the same commanding power and money-making opportunities that the war afforded them.

We now know that it was the Jews who were responsible for America's entering the war through pressure brought upon President Wilson by the

Jewish financiers of the world and the British Government. The price was Palestine. And through the Brandeises, the Baruchs and the Untermyers the deal was effected that sent thousands of American boys to fight on the bloody fields of France and die for a Jewish cause under the slogan of making the world safe for "democracy."

While Baruch was working in secret, promoting the preparations for our participation in the war, which he said he knew in 1915 was coming, other jews were busily occupied with picking the pockets of the German Americans.

When the war actually came to America, Baruch assumed all the functions of a dictator. He not only fixed prices, but also the wages of labor. His power extended over the entire capitalistic system of the country. He was able to see that his Jewish friends became "indispensable" and immune from military service, while the non-Jews were shipped to the front to do the fighting.

Approximately 400 industrial plants were under his dictatorship. No contractor could build a house, no tinsmith buy a piece of zinc without Baruch's approval.

On June 27th, 1934, Representative McFadden, chairman of the banking committee of the House, declared that since the world war we have had no Government in which Bernard K. Baruch was not the chief adviser in politics, economics and finance.

Don't be fooled. Baruch and his Jewish camarilla are set to drive the United States into a European war on any old pretext, for war and the suicide of nations is a rich harvest for them. The Jew in a government position is always for the Jews first, and with that end in view he is shrewd enough to make use of labor, of the church and Christianity itself.

Baruch is merely a type which exists, many times multiplied, in all countries, many of them entrenched in positions of great influence because of their wealth. In the United States we know them by name, in England and France their Jewish names are covered by titles. But all together they form a syndicate organized for Jewish world domination.

They hurl slanderous charges against the Bund that it is an "outpost of the Nazi Government". Every prominent Jewish organization **is** an outpost for world rulership, from the Zionists and the American Jewish Congress down. This Jewish Congress is composed of 21 national organizations which are split up into hundreds of local units.

It is a standing complaint of the Jews that they are persecuted, though they have the utmost liberty in the United States and are filling more places in public life in proportion to their numbers than all the other racial elements together.

You read in the papers what a „remarkable" success the Jewish boycott of German goods is proving to be. The administration is exercising benevolent tolerance of the practice, though it resents bitterly the boycott of American goods in foreign countries. Let me remind the boycotters, that boycotting goods imported from a foreign country and thereby exercising the power of restraint of trade against firms engaged in the import business and against a nation with which we are at peace, is illegal and indefensible. This **Government** has not declared a boycott against Germany, therefore these individuals are usurping a function of sovereignty vested alone in the Government. And here I want to call attention to the **Civil Liberties Act of 1870** as of particular concern to those Jews and their misguided Christian dupes who boycott

the shops and places of business where German goods are offered for sale.

The Act imposes maximum penalties of $5,000 and ten years in prison for "conspiracy to injure, oppress, threaten or intimidate any citizen in the free exercise of any right or privilege secured to him by the Constitution of the United States or laws of the United States." **Where has the action we demand been taken against the Boycotters?**

If you ask what we are actively fighting **for** under our charter, I will here repeat the declaration I made public some time ago:

1. A socially just, White-Gentile ruled United States.

2. Gentile-controlled labor unions free from Jewish, Moscow-directed domination.

3. Gentiles in all position of importance in government, national defense, and educational institutions.

4. Outlawing of the Communist Party in the United States, prosecution of all known Communists for high treason.

5. Immediate cessation of the dumping of all political "refugees" on the shores of the United States.

6. Thorough cleaning of the Hollywood film industries of all alien, subversive activities.

7. Cessation of all **abuse** of the freedom of the pulpit, press, radio and stage.

8. A return of our Government to the policies of George Washington: Aloofness from foreign entanglements. Severance of all connections with the League of Nations.

That is our program. Take it or leave it. If you approve and wish to make your influence felt—for **alone** you are powerless—the Bund is open to you, provided you are sincere, of good character, of Aryan (White Gentile) Stock and an American Citizen imbued with patriotic zeal! Therefore: **Join!**

FREE AMERICA!
